(a) Advocacy meeting in community (Project staff and corporate house)

As the Corporate executives have full confidence in MRDI, that's why we cannot organize such advocacy meeting in the community but when the programs will be in full swing they will visit the project location later on a convenient date. Except MIDAS financing limited who had an advocacy meeting in community at Bon laudob Sunderbans.

(b) Implementation

In this audited period Implementation of activities of Jessore and Bhola were in process to start. Even, we did not sign the agreement with the corporate house. That's why we did not use the fund.
