Opinion

We have audited the financial statements of "Climate Communication Fellowship-Phase II" (the "Project") implemented by **Media Resources Development Initiative (MRDI)**; (the "Entity") in partnership with **International Research & Exchanges Board (IREX)**, which comprise the Statement of Financial Position as at 31 January 2026 and the statement of Income and Expenditure and Statement of Receipts and Payments for the period from 01 December 2025 to 31 January 2026, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the Balance Sheet of the project "Climate Communication Fellowship-Phase II" as at 31 January 2026, and its income and expenditure and its receipts and payments of the project for two months period then ended in accordance with International Financial Reporting Standards (IFRS) and other applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the project in accordance with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements that give a true and fair view in accordance with International Financial Reporting Standards (IFRSs) and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the project or to cease operations, or has no realistic alternative but to do so as disclosed in the financial statements.

Hoda Vasi Chowdhury & Co

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
